

## FESTIVAL OF LIGHTS!

How about spreading some holiday cheer?

Let's all decorated our homes with Christmas lights for everyone to enjoy.

We could vote for different award categories including largest inflatable decoration, most lights, and the coveted "Best Decorated House".

Voting would occur from 12/25 through 12/31.

We plan on assembling at Campton Mtn, where we could organize a car parade to view the lights.  
(Date to be determined.)

We would ask people to let us know that their house is decorated prior to 12/26 so that their address can be added to our parade route.

Please email [Sue\\_Hering@yahoo.com](mailto:Sue_Hering@yahoo.com) with your address if you want to be added to our parade of lights.

The parade would finish at Campton Mtn. The winners of the different awards would then be announced.

We encourage everyone to light up our community!

On behalf of the WEA Board of Directors,  
Mike Hering
